

Big Muddy Speaker Series in Kansas City

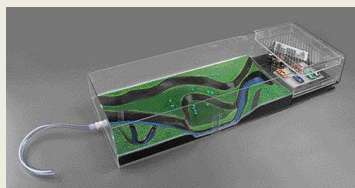

Forecasting the Mighty MO

The **Big Muddy Speaker Series** is expanding to Kansas City from Columbia, MO. On the second Thursday of each month at 7 pm, an expert on the issues affecting the Missouri River will speak at the Farmhouse Restaurant. The series is free and open to everyone. Please join us and experience the hospitality of the Farmhouse.

Kevin Low, PE

River Forecaster

National Weather Service's Missouri Basin
River Forecast Center
Pleasant Hill, Missouri

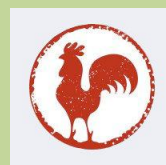

An overview of the National Weather Service Hydrologic Program with emphasis on the Missouri Basin River Forecast Center and its role during the 2011 Missouri Basin Flood. Kevin will demonstrate the Floodplain Simulator model used as an outreach tool for elementary and middle school-aged students.

Thursday, November 10

6:00 p.m. Social Hour

7:00 p.m. Presentation

Farmhouse Restaurant
