photos by Rod Power, Amy Meier & Melanie Cheney

As the capstone event to our River Camp 2009, we pulled up stakes and headed to our state capitol, Jefferson City, for a massive river clean-up. It was our first time back since 2004, and the locals came out in full force to help out.

Because 2009 is the 20th Anniversary of Missouri Stream Team, we decided to dedicate the event to celebrating this amazing milestone. After cleaning up the river in the morning, Stream Team biologist Sherry Fischer demonstrated big river water quality monitoring techniques for a group of volunteers and Eldon High School students.

Stream Teams Involved:

- 1176,
- 1639,
- 1645,
- 1875,
- 1876,
- 2380,
- 2660,
- 2804,
- 3526,
- 3631,
- 3707,
- 3894
